Other Information

This service does not depend on a bundling arrangement with any other Telecommunications services. Any cabling beyond the nbn™ network end point that is required within the customer's premises is the customer's responsibility.

Billing

The amounts in the Plan Options table are for a full billing cycle, however your first bill may also include pro-rata charges for part of a month. Our billing cycle is based on a calendar month. Bills are issued on approximately the 4th day of the month, for a month in advance. In some cases, your bill may also include additional charges such as purchased hardware, installation or a plan change adjustment fee. Prices shown are exclusive of GST.

Hardware Options

Hardware is not included. You may purchase a router from NodeOne or provide your own router if you prefer (subject to its suitability).

Service Speeds

Service speeds shown in Plan Options are the theoretical maximums attainable by the nbn™ connection at the highest transmission rate of the network.

Actual speeds may vary and are affected by network equipment, internet connectivity, location of the content servers you're accessing, interference, limitations of connected devices, cabling, bandwidth of other services, and other users on the network. Speeds may be slower when devices are connected by Wi-Fi.

For more detailed information about broadband internet and factors that can have an effect on services, see our **Broadband Information** document.

Discounts & promotions

This summary does not reflect any discounts or promotions that may apply from time to time. It also does not reflect any additional services that you select whilst you have this plan.

Fair Use Policy

You must comply with our **Fair Use Policy** and not use your services in an unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of the network. We may take action if you breach the **Fair Use Policy**, including suspending or cancelling your service.

Changing Plan

Please contact NodeOne through your Account Manager or on the above number should you wish to change your plan. Note plan changes may incur additional charges.

Data usage information

Usage is counted in bytes as the total of downloaded plus uploaded data. You can obtain data usage information by logging into your account using our **Members Portal**.
